

MONCLOVA CHRISTIAN PRESCHOOL PARENT HANDBOOK

Monclova Christian Preschool is owned by Monclova Road Baptist Church and welcomes members of Monclova Road Baptist and members of the community at large. The preschool is in session from the first Tuesday after Labor Day in September through May 15. During that time we follow the Monclova Christian Academy calendar for holiday vacation days. The Monclova Christian Academy's calendar appears on the last page of this handbook.

Children must be toilet trained to attend the school. A child must be 3 years old by September 1 in order to be enrolled in this year's 3 year old program. A child must be 4 years old by September 30 in order to be enrolled in this year's 4-5 year old program. Upon enrollment, each child must have on file current health records, emergency transportation information and parent roster permission. The enrollment date is your child's first day of school.

Classes are available:	Monday-Wednesday-Friday	9:00 a.m. - 11:30 a.m. for 4/5 year olds
		12:30 p.m. - 3:00 p.m. for 4/5 year olds
	Tuesday-Thursday	9:00 a.m. - 11:30 a.m. for 3 year olds

TUITION FEES

Monthly tuition payments are determined as an average divided equally over the entire school year and are not based on the number of days students attend per month. All tuition will be directly paid using the FACTS Tuition Management program, which offers tuition payment plans to parents.

There is a \$65.00 non-refundable registration fee for all classes.

Tuition for the Monday-Wednesday-Friday 4/5 year old class is \$1,305.00 per year, \$145.00. Tuition for the Tuesday-Thursday 3 year old class is \$900.00, \$100.00 month. You will be decide the best way to pay your tuition directly through the FACTS portal.

All families must register financial information into the FACTS system by Monday, August 26th. Failure to register by deadlines or pay timely tuition will result in the child being delayed or removed from the program. Tuition will automatically deduct from the account you set up on the 15th of each month, September through May. A late fee of 10% of the amount due will be deducted if there's a delay in automatic payment.

TUITION REDUCTION OPPORTUNITIES

The Kroger Reward Program and Script Program help you reduce your tuition costs for preschool. Semi-annual statements, along with corresponding monies to be credited to each participating family's tuition account, will be forwarded to the school's finance department on November 10 and April 10 of each school year. You will receive a letter to tell you how much has been applied to your tuition. The deduction will be taken off the December and May tuition. See Ms. Cook for forms and complete instructions on registering for this program.

REGISTRATION ACCEPTANCE POLICY

In accepting children for preschool, the registrations are considered in the following order by the order first received:

1. Children of church members, those currently enrolled in the preschool, siblings of previously enrolled students, and the siblings of students currently attending Monclova Christian academy will be able to pre-register

Monday, January 13th – Friday January 17th.

2. Open registration from the community will begin on Tuesday, January 21st.

STATEMENT OF NON-DISCRIMINATION POLICY

It is unlawful to discriminate in the enrollment of children upon the basis of race, color, religion, sex or national origin, or disability in violation of the Americans with Disabilities Act of 1990, 104 Stat. 32,42 U.S.C. 1210 et seq.

CLASS SIZES

In accordance with the Ohio Department of Job and Family Services, the maximum number of children per school staff members is as follows:

12-1 child/staff ratio for 3 year olds

14-1 child/staff ratio for 4-5 year olds

Our classes are 8-1 for child/staff ratio 3 year olds and 10-1 child/staff ration for 4-5 year olds.

LICENSING

Monclova Christian Preschool is licensed to operate legally by the Ohio Department of Job and Family Services to serve 20 preschool age children and 8 school age children per class. The license is posted on the classroom wall next to the door that is directly off the foyer. The preschool's licensing record, including licensing inspection reports, complain investigation reports, and evaluation forms from the building and fire departments, is available for review upon written request to the Ohio Department of Job and Family Services.

A toll-free telephone number is listed on the preschool's license and may be used to report a suspected violation of the licensing law or administrative rules. The licensing law and rules governing child day care are available for review at the facility upon request.

The administrator and each employee of the facility is required, under Section 2151.421 of the Ohio Revised Code, ORC, to report their suspicions of child abuse or child neglect to the local public children's services agency.

Rosters of the names and telephone numbers of the parents or guardians of children attending the school are available upon request. The rosters will not include the name or telephone number of any parent who requests that his/her name or telephone number not be included.

Any parent, guardian, or custodian of a child enrolled in the preschool shall be permitted unlimited access to the preschool during all hours of operation for the purpose of contacting their children, evaluating the care provided by the preschool, or evaluating the premises. Upon entering the premises, the parent, or guardian shall notify the Administrator of his/her presence.

For more information about child care licensing requirements as well as how to apply for child care assistance, Medicaid health screenings and early intervention services for your child, please visit <http://jfs.ohio.gov/cdc/families.stm>

GOALS OF OUR PROGRAM:

Your child will receive a blend of secular and spiritual training that combines the process of learning and develops a social consciousness in a Christian way. We hope that your child will learn to appreciate the wonders of God's creation and His

great love in sending Jesus Christ as our Savior, to speak to God in prayer, and to live a Christian life. Activities will focus on the whole child and help your child develop spiritually, socially, emotionally, physically and intellectually.

1. To help your child understand Bible truths and promises through Bible lessons, scripture verses, and songs.
2. To develop your child's confidence and independence.
3. To challenge the child's curiosity and creativity in a safe and supportive environment.
4. To learn to treat others with respect and kindness.
5. To work on many developmentally appropriate preschool skills: letters, colors, shapes, numbers, letters, cutting, coloring, skipping, etc.

Each week or two will have a specific theme and we will work with a specific skill. We weave together art projects, music, storytelling, math and science experiments that result in a meaningful learning experience where children build a foundation for lifelong learning.

DAILY SCHEDULE FOR 3 YEAR OLD CLASS AND 4/5 YEAR OLD CLASSES

The daily schedule may vary from day to day, but basically will include the following:

9:00 - 9:15 (12:30 - 12:45)	Attendance/Announcements
9:15 - 10:00 (1:30 - 2:15)	Free Play: The children may choose from a variety of play activities in our rooms.
10:00 - 10:30 (12:45 - 1:00)	Circle Time: Includes music, calendar/weather activities and story time.
10:30 - 10:45 (2:15 - 2:30)	Snack: Nutritional daily snacks are provided by parents. (See "Nutrition Policy" under section marked "Operating Policies.")
10:45 - 11:00 (2:30 - 3:00)	Craft/Art Activity/Academic Activity
11:00 - 11:20 (1:00 - 1:20)	Music/Large Motor Activities: rhythm instruments, parachute play, dancing, beanbags, hoops, etc. (Gymnasium)

The classes are very busy and packed full of a comprehensive variety of activities. We share with the children lots of exciting things and they "catch" what they are ready for. We encourage the children to try new things and to practice to improve their skills.

OPERATING POLICIES

BEHAVIOR MANAGEMENT: The method of behavior management and guidance apply to all employees of the school. Child guidance and management measures shall be clear and understandable to the child, shall be consistent, and shall be

explained to the child before and at the time of any disciplinary action. We use developmentally appropriate techniques suitable to the children's ages and relevant to the circumstances. Our policy of discipline is based on positive reinforcement of good behavior using the bucket filler program. Children who are disruptive will be given a "calm down" time. The teacher will talk with the child about the unacceptable behavior and the reason for the "calm down" time. The policy is designed to ensure every child the best possible learning environment. Our goal is to instill in each child a sense of self-discipline and responsibility for themselves and the learning environment.

1. Set clear limits.
2. Redirect the child to an appropriate activity by showing the child acceptable choices and modeling the desired behavior.
3. If repeated attempts to change behavior have failed, the child will be asked to sit in a chair for a "calm down" time for no longer than one minute for each year of age of the child. The child will not be restricted from activities for extended periods of time.
4. After the child and teacher have discussed the problem, the child may leave the chair and return to regular classroom activities.
5. Praise positive behavior.
6. Encourage children to control their own behavior, cooperating with others and solving problems by talking.
7. Hold a child for a short period of time, such as in a protective hug, so that the child may regain self-control.
8. If extreme disciplinary problems arise and the teacher is unable to change behavior using the above methods, the child's parents will be contacted.
9. We reserve the right to remove a child from the program for extreme disciplinary problems.

ARRIVAL AND DEPARTURE PROCEDURES:

Children must be brought to the classroom by an adult, either a parent or a person designated by the parent. The teacher assumes responsibility until the class period is over. **YOU MUST ACCOMPANY THE CHILDREN INTO THE BUILDING.**

The child will be dismissed to the parent or the parent's designee as listed on the enrollment form and/or as requested by the parent. The child will remain at the preschool until someone arrives to pick him up. A child shall only be released to persons 16 years of age or older, except when parent or guardian permission is on file. The written permission shall be signed and dated by the parent or guardian and administrator.

An official document from the court outlining custody agreements must be on file if applicable.

WE WILL NOT RELEASE A CHILD UNTIL YOU COME INSIDE THE BUILDING AT THE END OF CLASS. BE PROMPT IN PICKING UP YOUR CHILD.

Please send a note to accompany your child whenever there is a change from a normal pick-up. We will ask for identification from someone if we do not recognize them, even if they are on your list of those authorized to pick up your child.

Park in designated parking spaces on the north side of the orange cones. Do not park between the orange cones and the building. Please keep the driving lanes open.

Do not leave other children unattended in your vehicle when you come inside to pick up your preschooler.

SAFETY: All children will be supervised at all times. The teachers will carefully monitor the arrival of the children and check the attendance as they arrive. The children will not be dismissed to anyone other than their parents or those designated by the parents.

*No child will ever be left unattended.

* A telephone is easily accessible.

* No spray aerosols will be used in the presence of children.

* Monclova Christian Preschool is a smoke free environment. Smoking is prohibited in the building.

*The exterior entrance doors will be locked during school hours. For admittance, please press the button and the secretary will buzz you in. Our classroom doors will be lock after the first 10 minutes of arrival time. Please knock for admission.

REPORTING AN ABSENCE: Please notify us before class time if your child will be absent from school for the day. You may reach us by calling 419-866-0773. You may leave a message with the church secretary or on the preschool's voice mail.

The preschool extension is #241. We understand that children get ill and family obligations arise. However, you are setting an example of the importance of school attendance when you bring your child as regularly as possible. Too many absences are detrimental to your child's social, emotional and academic development. Make school a priority.

CLOTHING: We suggest that your child come dressed for play. We have many activities involving paint, water, glue, etc. and do not want to stain their "best" clothing. Children should wear clothing that encourages independence in using the bathroom. We find that children are unable to quickly and easily get out of body suits, one-piece outfits, suspenders and some belts. This type of clothing is inappropriate for school.

Children must wear TENNIS SHOES ONLY. Be sure that the laces will stay tied and are not too long to trip over.

Children may periodically go outside for playing unless conditions do not warrant this appropriate (rain, strong wind, excessive cold or excessive heat) with the exception of fire drills. Please dress your child appropriately. We recommend layering clothing for classroom and outside comfort.

We have spare clothing (girls/boys underwear, socks, non-gender specific pants/t-shirts) available at school in case your child has an accident or spill. Please wash the spares and return them the next day of school so they are ready when needed.

Your child's name or initials must be on all outerwear (coats, boots, hats, etc.)

BOOK BAG: Your child will need a book bag with a storage area big enough to hold a 9" x 12" piece of paper. The book bag should have a zipper in order to safely secure materials from falling out. **NO BOOK BAGS WITH WHEELS, PLEASE.** Your child should bring the book bag to school every day. Please check the book bag after each class for art projects, handouts, birthday treats, special notices or calendars. Your child's name or initials must be on the book bag. Your child will keep the book bag in his assigned cubby when not in use.

BIRTHDAY TREATS: We celebrate your child's birthday on or as close to the actual birth date as possible. Summer birthdays are celebrated on their half birthdays. You do not provide anything for your child's birthday. Your child will receive a birthday book from the preschool.

TOYS FROM HOME: We do not allow the children to bring toys from home unless it states to do so on the monthly calendar. Reasons why: (1) Toys from home take up room that is needed in the book bag for school materials to be sent home in. (2) Children get upset if their toy is lost or broken. (3) We have had "hot fingers" at school before. Your child may be accused of taking a school toy when he has a toy like ours from home stashed in a book bag. (4) Children know that all the school toys are for sharing. Some children are reluctant to share their toys from home. (5) Some toys that you may allow your child to play with at home may not be appropriate at school - noise-making toys, action figures, guns, swords, etc. (6) Multiply your child's toy by the number of children in the class and you can imagine the problems that we would have if every child brought a toy from home!

Things to bring from home: Items or books that apply to the topic that we are learning about. We will let your child share this item at the appropriate time during class and then return it directly to the book bag.

SNACK AND NUTRITION POLICY: Our program provides a daily snack for each child. **Prepackaged snacks may be provided for in individual serving size packages or in a large quantity container to be divided among the children. All drinks must be provided for in individual 100% fruit juice drink boxes or 8 oz. water bottles.** We are not allowed to serve milk. Napkins and disposable spoons are provided.

Parents take turns providing a nutritious snack and 100% fruit juice or water. Please note the number of children in your child's class at the bottom of your monthly calendar. Please send in all of the same kind/flavor/decoration to avoid hurt feelings.

Suggested snack items:

Cheese sticks
Yogurt
Bananas, apples or clementine's with peel on (1 per child)
Teddy Grahams
Crackers: Ritz Bitz, Cheez-Its, Goldfish, Lance crackers or Cheese N Sticks
Pretzels
Fruit cups: mandarin oranges, peaches, pears, applesauce, etc.
Cereal Bars
Granola Bars (if you can find them without peanut or tree nut products)
Muffins (mini muffins packages, Walmart has small single-serve muffins in their bakery)
Toddler size 100% fruit juice drink boxes

We need to be **peanut free and tree nut free**. This means reading the packaging ingredients for any warnings of peanuts, peanut oil or tree nuts. Many children have intolerance to red dyes. Please do not bring food or drinks containing red dyes. Snack should consist of food that is not a choking hazard. Popcorn and hard candy are considered choking hazards. Please avoid fruit roll-ups and cupcakes.

The snack schedule appears on the monthly calendar. Please check this calendar on a regular basis. If your child does not bring snack on his designated date (forgot, sick, etc.), please bring a non-perishable snack and drink the next day your child comes to school. It will be kept at the preschool as a backup snack.

Our snack program helps to teach children manners and becomes a social and educational learning experience. Your child will help to set the table on the day that he/she brings snack. The child and teacher must wash their hands before setting the table and snack packages. We do not require that each child finish a food that is not liked. We encourage the tasting of each item. We want to avoid the over-use of sweets.

If your child has a special dietary restriction, please submit this to the teacher in writing. We recommend sending a non-perishable food that can be kept and used exclusively for your child at preschool.

MONTHLY CALENDAR: You will receive a calendar for each month of the school year. This calendar contains information about what we will do each day, who brings snack, items needed for each class, etc. Please post this in an easy-to-see location and read it each day before class.

SCHOLASTIC BOOK ORDERS: Order forms will be included with the calendar each month. This is an inexpensive way to purchase high quality paperback and hardback books, gifts software, games, puzzles and resources for your child. The order is always due at the beginning of each month, and notated on your calendar. Online ordering is quick and easy, and our class gets credit for each purchase. Go to www.scholastic.com/bookclubs. Use our one-time class activation code: GTM7J. Orders usually arrive in 7 - 10 days. There is no obligation to buy.

CALAMITY DAYS: We will CLOSE school for the day when MONCLOVA CHRISTIAN ACADEMY closes for the day. Listen to local TV or radio stations for school closings. Sometimes a delay announcement will be changed to a closing as late as 8:30. Usually any changes from a delay to a closing will be confirmed by that time. WE FOLLOW MONCLOVA CHRISTIAN ACADEMY CLOSINGS only.

DELAY SCHEDULE: Morning class will attend from 10 to noon. Afternoon class will attend from 1- 3.

Since our tuition is based on a yearly amount per child, tuition is not reduced when class days are lost due to weather.

FIELD TRIPS: The preschool will not be responsible for transporting children. We have scheduled events where parents meet us with their child at a predetermined destination.

CONCEALED WEAPONS: Unless otherwise authorized by law, pursuant to Ohio Revised Code, no person shall knowingly possess, have under the person's control, convey, or attempt to convey a deadly weapon or dangerous ordnance on these premises.

EMERGENCIES, ACCIDENTS, ILLNESSES: In case of accident, emergency, or illness, a staff member will administer first aid and EVERY effort will be made to contact parents and/or parents' designee. If emergency treatment is needed and all efforts to reach the above people have failed, the child will be transported by EMS to the hospital designated by the parent and treated by a doctor. Medical and Dental emergency procedures are posted in each classroom. An incident/injury report will be completed when an accident or injury occurs. A copy will be given to the parent or guardian the day of the incident. This includes:

1. Injury, accident or illness which requires first aid treatment
2. Bump or blow to the head
3. Emergency transporting
4. Unusual or unexpected event which jeopardizes the safety of your child

The communicable disease policy is as follows: Staff members are required to take a common childhood illness course through the American Red Cross or given by a registered nurse which includes signs and symptoms of illness and hand-washing and disinfecting procedures. When staff members are ill, they will go home and a substitute will be called.

Symptoms for which a child will be discharged and asked to remain home:

1. Temperature of at least one hundred and one degrees Fahrenheit (one hundred degrees Fahrenheit if taken axillary) when in combination with any other sign or symptom of illness
2. Diarrhea (3 or more abnormally, unexpectedly or unexplained loose stools within a 24 hour period)
3. Severe coughing, causing the child to become red or blue in the face or to make a whooping sound
4. Difficult or rapid breathing
5. Yellowish skin or eyes
6. Redness of the eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning, itching or eye pain
7. Untreated infected skin patches, unusual spots or rashes
8. Unusually dark urine and/or gray or white stool
9. Stiff neck with elevated temperature
10. Evidence of untreated lice, scabies or other parasitic infestations
11. Sore throat or difficulty in swallowing
12. Vomiting more than 1 time or when accompanied by any other signs or symptoms of illness
13. Child cannot adequately participate in the day's daily activities

If staff members observe these symptoms after a child arrives at school, the child will be isolated from other children, but within sight or hearing at all times. The sick child will be provided with a cot at the side of the classroom. Parents will be notified immediately. In more severe cases, such as vomiting or diarrhea, a staff member will stay with the child in the bathroom until a parent arrives at school. The child will be re-admitted at the teachers' discretion.

The Ohio Department of Health Communicable Disease Chart is posted on the inside of the bathroom door if you would like to make reference to it.

No medication will be administered unless it is needed for a life-threatening condition (i.e. epi-pen for anaphylactic shock, inhaler for asthma). Written instructions from a licensed physician and written instructions from the parent or guardian must be on file. Medication must be delivered to school in its original container with the prescription label attached. The label must contain the child's full name, current date (within the last 12 months), exact dosage to be given and means of administration.

Each child will immediately wash hands with liquid soap and running water for at least 15 seconds: upon arrival at school, when visibly soiled, after contact with bodily fluids, after returning inside after outdoor play or using our sensory table,

after handling live animals, and before/after eating or assisting with table setting. Hand sanitizer is not permitted to be used by children.

The preschool will allow children who are mildly ill (i.e. runny nose) to remain with the group. Parents are asked to carefully consider their child's health and ability to participate in the day's daily activities before allowing them to come to school.

Please notify the preschool if your child contracts a contagious disease. Parents will be notified verbally of a child's possible exposure to a communicable disease or infectious rash. A posted notice will also be on the hallway wall by the door closest to the school office.

GENERAL EMERGENCY PROCEDURES

General emergencies are any threats to the safety of children due to environmental situations (loss of power, heat, water), threats of violence, or natural disasters (fire, tornado). A plan for fire, weather and general emergencies is posted in every room of the preschool.

ENVIRONMENTAL: Should the building lose power, heat or water for an extended period of time during school hours, parents will be notified by phone to come and pick their children up.

FIRE: A monthly fire drill will take place at different times each month. In the event of a fire, the children will be evacuated from the building. Teachers will escort the children to a meeting area and attendance will be taken. Teachers and children will return to the building when the fire department has inspected the building and found it safe to reoccupy.

WEATHER: Children will be escorted to the nursery across the hall from our classroom when weather conditions are unsafe for them to remain in the classrooms. Attendance will be taken when the children reach the nursery. Children will be instructed to assume the "duck and cover" position: from a sitting position, place head down and protect head with hands and arms. Tornado drills are held in the months of September, March, April and May.

LOCKDOWN: A quarterly lock down, or safety drill as we call it, is required. Lockdown drills take place to prepare us in the event of an intruder in the building with intent of causing harm. Our building and classroom doors are always locked. For further protection, the children gather in our classroom bathroom and we also lock those doors. In this way we are out of sight and have another barrier between the children and the intruder.

ACTS OF TERRORISM: The National Terrorism Advisory System, replaced the color-coded Homeland Security Advisory System as of April 2011. There are two levels of alert: **Elevated Threat Alert** warns of a credible terrorist threat against the United States with no specific information about the timing or location. **Imminent Threat Alert** warns of a credible, specific, and impending terrorist threat against the United States. Each alert provides information to the public about the threat, including, if available, the geographic region, mode of transportation, or critical infrastructure potentially affected by the threat: protective actions being taken by authorities, and steps that individuals and communities can take to protect themselves and their families, and help prevent, mitigate or respond to the threat. In the event of an Imminent Threat Alert, parents will be notified of decisions affecting the normal operations of the school. We will make a decision to cancel school based on the information provided and recommendation of the National Terrorism Advisory System.

PARENTAL INVOLVEMENT

Parents are asked to be involved in the program in the following ways:

1. Provide necessary information about your child. The Ohio Department of Job and Family Services requires that all forms must be completed and on file by the time your child reports for the first day of school.

Required forms: **Child Enrollment & Health Form**: In order for your child to attend MCP, you must give permission to transport your child via EMS if necessary.

you
required

Child's Medical Statement: with attached copy of immunization record or check & sign that have declined to have your child immunized against one or more of the diseases by 5104.014 of the Ohio Revised Code.

Authorization for picking child up from school

Class Roster Permission

Personal Information Sheet

Photo Release Form

2. Occasionally provide the snack for the children.
3. Help with our special events and projects. Watch for requests for volunteers on the back of the monthly calendars.
4. Notify the administrator if you would like to share special project ideas, talents or donated materials.
5. Feel free to stop in and visit or help any time. We recommend not staying for the first week or two of school. Your child may become fearful if he senses that you are hesitant to leave him. Please say your goodbyes and leave. A crying child stops soon after a parent is out of sight. Trust us on this one!
6. Talking with your child and giving him a chance to share his experiences.
7. There are times when you may be taking photos at school activities. Please be careful when publishing photos of your child's classmates to a social media site. Some parents do not want their child's images posted on these sites. Please ask permission before publishing photos with children other than your own.
8. Staff members are always available if you wish to share comments or suggestions. For your privacy, you may schedule an appointment to meet with the administrator if you wish to discuss personal matters. The administrator is available at the school half an hour before school starts, during lunch (11:30 - 12:30) or after school.
9. Teachers will have a scheduled conference with parents of the 4/5 year olds in March. This will help you to assess your child's readiness for Kindergarten. Every child will receive a brief evaluation in November to inform parents of how their child has made the adjustment to school. Parents of the 3 year olds will receive another report in March but will not have a conference unless the staff or parents feel it is necessary. If you have concerns or questions, do not wait until then. Feel free to contact us at any time.
10. The church nursery, directly across the hall from our classrooms, is available for mothers who need to breastfeed and/or pump breastmilk.
